Typhoon #10 is approaching and according to information issued by the Takamatsu Meteorological Agency from August 14th in the afternoon until the end of the day August 15th, all Artworks and Facilities will be temporarily closed during this time. The following is information for each island.

	14	15
Oshima, Inujima	Closed All Day	Closed All Day
Teshima	Closed All Day Some of the artworks will be closed after 1pm.	Closed All Day
Megijima, Ogijima, Shodoshima	Closed after 12:30pm	Closed All Day
Naoshima	Closed after 1:00pm	Closed All Day
Takamatsu Port, Uno Port, Surrounding Area	Closed after 5:00pm	Closed All Day

More information about the Naoshima artwork and facility closing can be found at the Benesse Art Site Naoshima, please check this website for further information. The Kagawa Prefectural Museum, Takamatsu City Museum, Takamatsu Public Pool, Umitota and Shikoku Mura each have a website, so please check for further information.

Some artworks will be cancelled after the morning on August 14th due to decision making regarding closing hours. The artworks will be reopened after checking the artworks on the 16th.

Depending on the typhoon's course, the information may be changed. We will update the detailed information of each artwork, facility and event through Urgent Information, etc. on our website, setouchi-artest.jp. Please do not go near the artworks because it is very dangerous during these hours closed.
